The Funniest Man in Canada is Taking His Music and Comedy From Coast to Coast to Coast on his "You'll Never Laugh This Hard Again" Tour!

Of all the entertainment acts this country has to offer, **The Jimmy Flynn Show** has remained one of the most memorable performances available for more than 30 years. With a high-energy blend of side-splitting comedy and popular music, Jimmy Flynn remains Canada's "Ambassador of Good Cheer." Dressed in his trademark red checkered shirt, yellow sou'wester and rubber boots, Jimmy takes the stage, glances over the audience and erupts into volcanic comedy that melts the audience. **The bottom line: this guy is hilarious!**

Over the past 30 years, **Jimmy Flynn** has become a musical comedy powerhouse. His list of credits is astounding. He has performed with **The Dixie Chicks** at Massey Hall in Toronto, he has also performed with "The Man in Black", **Johnny Cash**; **Tommy James and the Shondells**; **Charlie Pride**; **The Everley Brothers**, and with **Cheech and Chong's Last Tour**. Jimmy Flynn became a popular radio and television personality during the early 1990s. To date, he has produced and broadcast over 400 radio shows, a 13-week television series, four feature length comedy videos that have gone double and triple platinum, seven gold CDs, a Christmas recording for children and a four-time bestselling joke book. He also owns his own travel and entertainment tour company, The Great Canadian **Comedy** Tour Company. Jimmy has raised millions of dollars for Canadian charities and community groups. **He is Canada's foremost musical comedy act!**

Jimmy can tailor the show to meet your needs. He has performed for intimate crowds of a few hundred to festival crowds of 80,000 and no matter the setting, the crowds have the same reaction - "I never laughed so much or so hard in all my life!"
